WHAT'S THE PROBLEM?

The downfall of America is due to rejecting God and His Son Jesus! (2 Chronicles 7:14)

- 39.7 million in US live in poverty. That is a rate of 12.3 percent, or 1 in 7 living in poverty.
- 36 million are on food stamps in our nation.
- 28% of Missourians on welfare and SSD receiving below poverty level income.
- Over 50% of the workers in Missouri are not earning a living wage.
- A living wage in Missouri is \$18/hr., \$720 per week or \$37,440 per year. Millions of unskilled employees are making only \$8.60/hr.

Wonder why we have so many poor and homeless? **Low paying jobs and indifference.**

WHAT CAN WE DO?

“We know what real love is because Jesus Christ gave up his life for us, and so we ought to give up our lives for our Christian brothers and sisters. But if anyone has enough money to live well, and sees a brother or sister in need and refuses to help, how can God’s love be in that person? Dear children, let us stop just saying we love each other: Let us really show it by our actions!
